SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Prosper Park & Recreation Financing Metropolitan District (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court on June 23, 2015 and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The District's service area is located in Arapahoe County. The District was organized in conjunction with Prosper Regional Water & Sanitation Service Metropolitan District, Prosper Water & Sanitation Financing Metropolitan District, Prosper Coordinating Metropolitan District and Prosper Metropolitan Districts Nos. 1, 2, 3, and 4. The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water, sanitation, streets, safety protection, park and recreation, transportation, television relay and translation and mosquito control improvements and services.

In the future, the District may issue a portion or all of the remaining authorized but unissued general obligation debt for purposes of providing public improvements to support development as it occurs within the District's service area, however, as of the date of this budget, the amount and timing of any debt issuances is not determinable.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues & Expenditures**

The District does not anticipate any financial activity in 2025.

**Capital Outlay**

The District does not anticipate infrastructure improvements during 2025.

**Debts and Leases**

The District has no debt nor any capital and operating lease.
