Re: Prosper Water & Sanitation Financing Metropolitan District – Boundary Map

To Whom It May Concern:

Pursuant to Section 32-1-306, C.R.S., the above District is required to provide a current, accurate map of its boundaries on or before January 1 of each year.

Accompanying this letter is a current map of the District's boundaries.

NOTE: This District has elected statutory inactive status for 2016, effective as of December 15, 2015. Thus although the January 1, 2016 map filing is not technically required, we are providing the map so that all appropriate agencies will have it on file, since the District was organized mid-year in 2015.

Should you have any questions or comments, please do not hesitate to contact me.

Very truly yours,

McGEADY BECHER P.C.
